

Reasons Why My Daddy Can't Come Home Anymore.

- “I’m an electrician - working stuff hot is part of my job.”
- “That’s what the customer demands. If my people won’t do it fast, then they’ll get another contractor.”
- “It’s the Presidents office. I can’t de-energize the circuit to change the ballast.”
- “Personal Protective Equipment slows me down.”
- “There’s no time to do it the safe way.”
- “You can’t shut that assembly line down, it will cost \$\$\$.”
- “It won’t happen to me.”
